

GOSPEL 316

F A Q s

Whose website is this? It is from Acts One Eight - a Christian ministry based in Colorado Springs, Colorado USA promoting faith alone in Christ alone.

What brand of Christian are you? We are pro-church but not affiliated with any particular church or denomination. We do not promote any extra-Biblical beliefs or experiences. Our beliefs are consistent with taking the Bible at face-value based on what it says it says. We are truly Bible-based.

How should I use this website? As the Apostle Paul and Silas said, *“Believe in the Lord Jesus, and you will be saved,”* Acts 16:31. That is first. And for believers, this website can also be helpful for you in lovingly and sensitively sharing the Gospel of Jesus with others online, in print, or downloaded (text or audio).

Why did you create this website? We created it to provide a clear Gospel message in major world languages for people who need God’s forgiveness to be ready for eternity. And we created it to be witnesses for Christ to the remotest part of the earth, Acts 1:8.

Is everything on this website free? Everything on this website is free for you. There are no hidden fees or costs, and no products or upgrades for sale. This website is funded by people who believe that the Gospel is eternally important.

Are you tracking me? Your privacy is important to us. We harvest no personal data. You will receive no advertisements from us.

Are all the Gospel presentations on this website the same? The English version was written first. Then that was translated into the other languages. The versions are essentially the same within the limits of translation.

Who translated the Gospel into all these languages? The translators are all professional, skilled, and experienced in translating to high linguistic and theological standards.

How can I spread the word about this website? Tell your friends, Bible study, Church, any missions committee, missionaries you support, and friends and students from around the world. Send an email or text to them. And post a link to www.Gospel316.org on your social media ... multiple times. Be creative!

Can we co-brand the text versions? Yes, you may add your church or ministry’s name on the upper left or right of page 1. You may add a small amount of information at the bottom of page 2 below the “printing instructions”. You may add these ... but please do not replace or change any of the original text.

How can I contact you? You may contact us at Gospel316Mail@gmail.com.
